HEARTBURN AND HEADACHE GO.**

Every family has a tendency to keep some Dyspepsia in the house, as you may find it in the house of almost any one of you may have an attack of Indigestion, or flatulence, or trouble at any time, day or night.

This harmless preparation will dissolve the food, and prevent the stomach distressed, out-of-order stomachs being the cause of indigestion.

If your meals don't digest, you, or what little you do eat, seems to fill you, or you feel bloated, or you have flatulency, or stomach, or if you have heartburn, or indigestion, or any of these troubles, Ask for **Pharmacist for a Subvent** and you will find it.

It is a little like a tonic, as you can see. There will be no more sickness, no more flatulency, no more heartburn, no more acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, or any of the troubles of indigestion. Phlegm or intestinal griping will be gone, and the food will be well to the next food left over in the stomach to poison your breath with.

Peppermint is in a certain quantity, and it is a very good thing to prevent fermentation and takes hold of your food and digests it. Just the same, it is a little like a tonic, as you can see. It is in five minutes from all stomach troubles, and it is a very good thing for you.

AS A BOMB THROWER who has been in the United States for 12 years, I have been looking for a way to help my native country Sweden. Mr. Martin Ekensberg, a noted Swedish physician, has written me that he has a cure for the thyroid gland. He has treated several cases of the disease and has found that the cure is in the form of a powder which he has named "Rice Estate." The powder is made of rice and is very easy to take. The package was opened immediately and I found that it was a very good cure for the thyroid gland. I have been taking it for several days and I feel that it is doing me much good. I have no more to say about it at present.

'CAN'T DEPEND ON PAST FOR CHRISTIANITY'

"If the Grand Jury of God were asked to pronounce judgment upon this country as to whether it were Christian or not, I greatly fear the verdict would be, 'No,'" said the Rev. J. M. Coleman of Mercer Pa., at today's session of the National Reform Convention in the Park Street Church.

This National Reform Convention is held under the auspices of the National Reform Association. Its principles are:

Mutt Introduces Judge Gander at a Mass Meeting in New York---By Bud Fisher

MUTT WAS SEEN BY A REPORTER AS HE WAS LEAVING THE GIANT GANDER MEETING. HE SAID: "I AM GREATLY PLEASED WITH THE JUDGE'S RECEPTION. WHEN I INTRODUCED THE CANDIDATE, THE ENTIRE AUDIENCE, YES, SIR, ALL THREE OF THEM, STOOD UP AND YELLED LIKE MAD. THEY MAY HAVE BEEN MAD, I DONNO."

JUDGE GANDER, AS HE LOOKED WHILE MAKING HIS FAMOUS ADDRESS, REVEALED, AND EXCEPT WAS THE JUDGE THAT SEVERAL HORSES IN THE NEIGHBOURHOOD RAN AWAY AND THE GAS METERS FOR MILES AROUND BROKE ALL SPEED RECORDS.

UNKNOWN SPECTATOR, WHO WAS OVERCOME BY GAS DURING THE JUDGE'S FAMOUS SPEECH, HE IS STILL UNCONSCIOUS AND THE DOCTOR SAYS THAT HE MAY GET OVER IT, BUT WILL NEVER LOOK THE SAME. IN HIS DELIRIUM HE SAID, "I'M TELLING SOMETHING LIKE 'TELL IT TO THE KING OF DENMARK'."

PEOP. MATHEWSON: THE CALIFORNIA EARTHQUAKE REPORTS THAT THE SEISMOGRAPH AT THE SEISMOLOGICAL OBSERVATORY REGISTERED THREE DISTINCT SHOCKS DURING THE JUDGE'S SPEECH.

LITTLE JEFF, THE JUDGE'S POLITICAL ADVISOR, WHEN ASKED WHY THE JUDGE STATED NOTHING ABOUT THE GOLDBERG CHARGES, SAID: "LAST NIGHT'S RAIN CAUSED A FOG, TO BETTER ALLOW THE JUDGE'S WHISKERS AND HE WAS UNABLE TO SEE WHAT HE WAS SAYING. BECAUSE, HE LEFT OUR PROPS IN A DISAS TUBE ON TOP OF MY DRYING"

HARVARD RECRUITING TIMBER FOR HER CREW

Coach Wray of Harvard is determined to defeat the Cornell crew this year if possible, and with this end in view he has the Cornell crew candidates held at work ever since the beginning of the college year. The Harvard crew will be composed mostly of new men this year as there are very few of the veterans left. This is not an difficult as it might seem, considering the fact that the crew candidates have not only to pass Wray's training but also to pass the physical and mental tests of the Harvard crew. The Harvard crew is the strongest in the eastern college rowing, and it is the only crew in the world that has won the Harvard Cup in the four years since it was first awarded.

WOULD MAKE GOOD HUSBAND

DIM MISS FAIRFAX

"I am a young lady twenty-two years old, considered an attractive blonde, good looking, but not the least overrated. I have been a confidante, friend with a young man of fortune for four years, and have lived with us one year, when he paid attention to my sister, with whom he first became friendly. Several weeks ago he proposed to me. At that time I had three in close from the time I had been married. I was not willing him. He is apparently poor in money, I am not rich, though I am not poor. He is a very good man, but by his side, he doesn't believe in making any time over a girl. I have no money, but I am not a very good man, he is not, but is a good earnest worker at four trades. He intends to go into business next Spring. He provided for the family till he was out of it. But I am ashamed of him, to refuse company, though he is not speaking of leaving like him at all night. Some people say we are not well suited, but I think we are. We all have our faults; perhaps another would not stand with me and my sister so long with us, I think it makes all the world's difference. He is not much for staying out. Do you think his roughness and people's remarks would interfere with our happiness when married, or should I wait for another?"

THINK he seems an earnest, industrious young man, and I would probably like a very good husband, but do not say him unless you love him. Do not pay attention to what others say about us, the important thing is what you think about him, not being a girl is a point in his favor. Try and make up your mind, and do not keep him in suspense. A good man makes a good husband.

Crawfords do not cost any more than other good ranges. If you will examine them—examine the others first if you like—you will buy a **Crawford**.

The wonderful **Single Damper** (patented); no damper mistakes possible; one motion—push the knob to "Kindle," "Bake" or "Check"—and the range **must** do what you wish.

The **Two Hods** in the base—one for ashes (instead of the old ash pan), one for coal.

The **Cup-Joint** oven flues that don't leak; the patented **Grates**; the reliable oven indicator; **no other range has these improvements.**

Ask the **Crawford** agent to show you, and write to us for circulars.

We furnish auxiliary Gas Ranges at the right or above the range when desired.
